

## **PRICE LIST 2021** plus VAT Offenbacher Simracing Fair & Convention

The participation price is made up of a marketing contribution, price per square meter, AUMA and electricity charges for the booked space. Individual costs for additional services are shown separately on the invoice. All prices are excluding of VAT and will be invoiced with 19% German VAT.

**MARKETING CONTRIBUTION** per stand **€ 350.00**

---

The marketing contribution includes the logo integration on selected print materials, on the website and a profile in the exhibition guide.

**PRICE PER SQUARE METER** **€130.00**

---

The price per square meter includes the space, a wastebasket, a multiple socket, a corresponding number of exhibitor tickets and a parking ticket for a car.

If you are interested in a special stand shape, please contact us for an individual offer.

**AUMA** per sqm **€ 0.60**

---

**ELECTRICITY CHARGES** per sqm **€ 5.00**

---

Existing power connections (230V), a multiple socket and the power consumption are included in the electricity charges. Additional connections or heavy current will be charged separately.

### **SUBTENANCY**

---

Subtenancy needs an additional approval. Price on request.
